

Alabama's
Early Intervention
System

Does Your Child

...at 3 months

babble,
follow a moving object with his/her eyes,
hold head erect,
grasp object placed in his/her hand?

...at 6 months

turn over from back to stomach,
turn toward sounds,
sit with little support,
reach for and hold objects?

...at 9 months

say "Ma-ma" or "Da-da,"
respond to name,
stand for a short time holding on to support,
bang two objects together,
initiate sounds?

...at 12 months

wave bye-bye,
say two words besides "Ma-ma"
and "Da-da,"
feed himself/herself?

...at 18 months

say six words,
build a tower with three blocks,
try to put on shoes,
drink from a cup held in both hands?

...at 2 years

use two-word sentences,
say at least 50 words,
walk up and down stairs,
run,
point to objects in a book?

If you feel your young child
(age birth to 3) is not learning
or growing in the way
you expect, call

**Early Intervention
Child Find**

1-800-543-3098

For children ages 3-21,
call your local school system.

**You know best.
