The NET:

National Employment Team

The NET is a one-company approach to serving a variety of businesses through the national network of the 80 publicly funded vocational rehabilitation (VR) programs. **The NET** is supported by 25,000 specially trained VR staff nationally in coordination with their community partners and a \$3.2 billion annual budget designed to train and employ the talents of people with disabilities while meeting the employment needs of business.

See the listing of VR services that have been identified as "value-added" by our business customers.

No Cost Business Services

- 1) **Pre-employment** services - connecting future employees with companies through internships, mentoring opportunities and training that is customized to the business need or delivered on-the-job.
- 2) **Recruitment** and referral of qualified applicants.
- 3) **Staff training** on disability awareness, the Americans with Disabilities Act and other employment laws as well as topics related to disabilities and assistive technology in the workplace.
- 4) **Diversity** program strategies that support the inclusion of people with disabilities as customers and employees.
- 5) **Retention** programs to support employees who develop or acquire a disability.

6) Consulting, technical assistance and support.

- a) Workplace accommodations and assistive technology.
- b) Labor relations, legal, and compliance issues.
- c) Information technology and the accessibility of internal or external sites, computer hardware and software.
- d) Accessibility related to contract management and facilities.
- e) Marketing and customer service to improve services and/or increase the market share of people with disabilities.

7) Financial supports

including access to tax credits and/or deductions available for hiring or accommodating people with disabilities.

8) Employee assistance services and program support.
