WHO MUST PARTICIPATE

The Alabama Early Intervention System (AEIS) requires AEIS-Approved “Conditional Special Instructors” who are currently employed by an AEIS-Supported Early Intervention Program to provide Special Instruction (SI) services or currently employed by AEIS to provide SI services as an AEIS-Approved Special Instruction Vendor to participate and complete the Special Instruction (SI) Workshop/SI Mentorship within 1 year of initial employment with AEIS. (Note: The 1-year timeline does not restart upon employment with a different AEIS program.)

AEIS defines “Conditional Special Instructors” as individuals who:

- Meet the Alabama Early Intervention System Personnel Standards under one of the 17 deliverable services (excluding Transportation services)
- Have submitted the following documents to the AEIS State Office AND received approval to provide SI services as a “Conditional Special Instructor”
 - Completed and signed *Early Intervention Experience Form* documenting acceptable experience in working with very young children with disabilities, age birth to five, and their families. This document can be found in Appendix D of the *Personnel Standards for Alabama's Early Intervention System* (Approved by ICC 12/5/18).
 - Official Transcript which documents a Bachelor's and/or other degree (e.g., Master's, Doctoral degree) which meets AEIS Personnel Review Committee requirements for Special Instruction.

It should also be noted that the **Supervision Requirements for Conditional Special Instructors**, found in the *Personnel Standards for Alabama's Early Intervention System* (Approved by ICC 12/5/18), **applies to all Conditional Special Instructors hired after 12/5/18**. The **Supervision Requirements for Conditional Special Instructors** states:

1. A minimum of 10 visits observing a qualified special instructor* and other disciplines before delivering SI services. Documentation of the observation will occur using the “Special Instructor Observation Learning Tool” (Appendix B) to be completed by the conditional SI and signed by the professional who is being observed. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)
2. Direct, onsite supervision (joint visits) by a qualified special instructor* at a minimum of 2 times per month or more frequently as needed as determined by the supervising service provider. Supervisory visits will include observation of the conditional special instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C) to be completed by the supervising service provider. (For assistance in identifying a qualified special instructor as per the definition above, contact the state office as needed.)

If a Participant successfully completes the SI Workshop, but has not met this AEIS requirement, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Participant will be dropped from the training and will be required to repeat it in its entirety.

Individuals who are currently employed to provide Special Instruction services in an AEIS-Supported Early Intervention Program or currently employed by AEIS to provide Special Instruction services as an AEIS-Approved Special Instruction Vendor and hold degrees in Early Childhood Special Education, Education for Hearing Impairment (in settings serving children with hearing impairments) or Education for Visual Impairment (in settings serving children with vision impairments) are excused from participation in the SI Workshop/Mentorship.

WHAT TO KNOW ABOUT PARTICIPATING

Requirements and responsibilities are placed on the Participant and his/her Learning-Support Team. This section of the AP provides information about these requirements and responsibilities as well as information about the training. Please read this information thoroughly.

The SI Workshop/Mentorship is not a college-credit course. Instead, it is an AEIS-required workshop followed by a SI Mentorship. Additionally:

- Enrollment and participation in the SI Workshop/Mentorship is limited to those individuals described under the Who Must Participate section of this AP
- Enrollment and participation must be made with approval from and in coordination with the Learning-Support Team from the employing/vending AEIS-Supported EI Program
- The Learning-Support Team plays an important and key role
- Per the *Personnel Standards for Alabama's Early Intervention System* (Approved by ICC 12/5/18) all Conditional Special Instructors hired after 12/5/19 must complete the following:

“Conditional Special Instructors” (those without a degree in Early Childhood Special Education, Teacher of the Visually Impaired or Teacher of the Hearing Impaired) are required to have the following experiences, in the order listed below, **prior to reaching the SI Mentorship component of the SI Workshop/Mentorship:**

1. A minimum of 10 visits observing a qualified special instructor* and other disciplines before delivering SI services. Documentation of the observation will occur using the “Special Instructor Observation Learning Tool” (Appendix B) to be completed by the conditional SI and signed by the professional who is being observed. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)
2. Direct, onsite supervision (joint visits) by a qualified special instructor* at a minimum of 2 times per month or more frequently as needed as determined by the supervising service provider. Supervisory visits will include observation of the conditional special instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C) to be completed by the supervising service provider. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified special instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a qualified special instructor as per the definition above, contact the state office as needed.)

If a Participant successfully completes the SI Workshop, but has not met this AEIS requirement, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Participant will be dropped from the training and will be required to repeat it in its entirety.

The SI Workshop/Mentorship is a 20-week program of intense study which is divided into 2 learning components:

SI Workshop (scans 12 weeks online)

SI Mentorship (scans 8 weeks on-site)

This training is designed to provide instruction that partially replicates the information presented in college/university programs of early childhood special education, but it is not the equivalent of a college degree nor a teaching certificate, does not lead to college-credit, and does not guarantee employment or vending in an AEIS-Supported EI program.

The SI Workshop/Mentorship must be completed within the designated time-period. Once you begin this training, you are expected to follow the schedule and complete the work within the specified timeframe. You should **not** complete and submit this Application for Participation in this Session unless you know you will be able to fully participate and successfully complete it in its entirety during the given Session timeframe. Extensions will not be given; and, completed work will not be saved or forwarded to a future Session. Any work missed will result in repeating the SI Workshop/Mentorship in its entirety with a limit of 2 attempts.

Important: The AEIS State Office is paying a non-refundable registration fee for your participation in the SI Workshop/Mentorship; therefore, when you submit this Application for Participation in this specific Session and you are found to meet the requirements for participation, you are enrolled in this specific Session of the SI Workshop/Mentorship. At that point you have committed the AEIS State Office to pay the non-refundable registration fee for your participation; and, they expect you to fully and successfully complete this training. If you leave this Session of the SI Workshop/Mentorship for any reason at any point (including prior to the start of this Session), you will:

- Forfeit your opportunity to complete this Session. All work you completed will not be saved or forwarded to a future Session.
- Have 1 attempt of the 2 attempts left to complete the SI Workshop/Mentorship. This means, if you do not successfully complete the next Session you enroll in, you will not have another attempt left; and, you will not be recognized by the AEIS State Office as a Special Instructor. This means, you will forfeit your opportunity to become an AEIS Special Instructor.
- Be required to wait until the final Session (Session 4) of this FY before submitting an Application for Participation (AP). If you enrolled in Session 4 and drop out, you will be required to wait until the following FY to submit an AP. This means, for example, if you drop out of Session 1 you may not submit an AP until Session 4. Additionally, acceptance into the Session will be determined by space availability. If the Session you apply to participate in is full, you will not be allowed into it.

Following is information about each learning component as well as the progression schedule of each learning component.

- To achieve successfully completion of the SI Workshop, the final overall grade of at least 80% must be earned. A final overall grade less than 80% is not recognized as a successful completion of the SI Workshop. NOTE: Grades are not rounded upward; therefore, a grade of 79.9% is not a passing grade.

Additionally, per the *Personnel Standards for Alabama's Early Intervention System* (Approved by ICC 12/5/18) section titled Supervision Requirements for Conditional Special Instructors, Conditional Special Instructors hired after 12/5/18 must complete this Requirement:

“Conditional Special Instructors” (those without a degree in Early Childhood Special Education, Teacher of the Visually Impaired or Teacher of the Hearing Impaired) are required to have the following experiences, in the order listed below, **prior to reaching the SI Mentorship component of the SI Workshop/Mentorship:**

1. A minimum of 10 visits observing a qualified special instructor* and other disciplines before delivering SI services. Documentation of the observation will occur using the “Special Instructor Observation Learning Tool” (Appendix B) to be completed by the conditional SI and signed by the professional who is being observed. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

2. Direct, onsite supervision (joint visits) by a qualified special instructor* at a minimum of 2 times per month or more frequently as needed as determined by the supervising service provider. Supervisory visits will include observation of the conditional special instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C) to be completed by the supervising service provider. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified special instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a qualified special instructor as per the definition above, contact the state office as needed.)

If a Participant successfully completes the SI Workshop but has not met this AEIS requirement, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Participant will be dropped from the training and will be required to repeat it in its entirety.

- If the SI Workshop is not successfully completed during this Session, the AEIS State Office, the Participant's Learning-Support Team will be notified; and, progression to the SI Mentorship will be denied. At that point the next Session of the SI Workshop will be made available for enrollment and repeat (repeat in its entirety regardless of how far the Participant progressed in the previous Session).
- Participants will have 2 attempts to successfully complete the SI Workshop. If after 2 attempts an individual does not successfully complete it, the AEIS State Office and the Participant’s Learning-Support Team will be notified; and, s/he will not proceed to the SI Mentorship resulting in not being recognized by the AEIS State Office as a Special Instructor or approved for billing of SI services within an AEIS-Supported program.

SI Mentorship

The Participant will enter an 8-week SI Mentorship if s/he has successfully completed the SI Workshop (defined as earning a final grade of at least 80% noting grades less than 80%, such as 79.9%, are not a passing grade) AND, for Conditional Special instructors hired after 12/5/18, successfully completed the following AEIS requirement in the order listed:

1. Minimum of 10 visits observing a qualified special instructor* and other disciplines before delivering SI services. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)
2. Direct, onsite supervision (joint visits) by a qualified special instructor* at a minimum of 2 times per month or more frequently as needed as determined by the supervising service provider. Supervisory visits will include observation of the conditional special instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C in the *Personnel Standards for Alabama's Early Intervention System* Approved by ICC 12/5/18) to be completed by the supervising service provider. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified special instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a qualified special instructor as per the definition above, contact the state office as needed.)

If a Participant successfully completes the SI Workshop but has not met this AEIS requirement, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Participant will be dropped from the training and will be required to repeat it in its entirety.

The SI Mentorship is an integral component of the SI training that provides Participants with the opportunity to demonstrate competency and mastery of SI knowledge and skills in their employing/vending Early Intervention (EI) setting. It is designed to couple with their EI employer’s new employee orientation thus assist Participants in assuming the duties of a Special Instructor.

The SI Mentorship takes place completely within the AEIS-Supported EI Program in which the Participant is employed or vendors; and, all supervision, responsibility, and evaluation of the Participant is conducted by the Participant’s Learning-Support Team. It is the responsibility of the Participant and his/her Learning-Support Team to arrange and complete this SI Mentorship within the designated 8-week period as well as to submit supporting documentation to the SI Workshop/Mentorship Office by the given deadline.

A Special Instruction Mentorship Evaluation Packet will be distributed to the Learning-Support Team upon the Participant’s successful completion of the SI Workshop. Note: If a Participant successfully completes the SI Workshop but has not met the AEIS Supervision Requirements (as

shown in the *Personnel Standards for Alabama's Early Intervention System* Approved by ICC 12/5/18 section titled Supervision Requirements for “Conditional” Special Instructors), s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Participant will be dropped from the training and will be required to repeat it in its entirety.

Participant_____ EI Program Director_____ Supervisor_____ SI Mentor_____

- I understand that by Module 11 (Week 11) of the SI Workshop/Mentorship the Participant who is a Conditional Special Instructor hired after 12/5/18 must be completed with the following and I must assist her/him in meeting this requirement:
Per the *Personnel Standards for Alabama's Early Intervention System* (Approved by ICC 12/5/18):

“Conditional Special Instructors” (those without a degree in Early Childhood Special Education, Teacher of the Visually Impaired or Teacher of the Hearing Impaired) are required to have the following experiences, in the order listed below, **prior to reaching the SI Mentorship component of the SI Workshop/Mentorship:**

1. A minimum of 10 visits observing a qualified special instructor* and other disciplines before delivering SI services. Documentation of the observation will occur using the “Special Instructor Observation Learning Tool” (Appendix B) to be completed by the conditional SI and signed by the professional who is being observed. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

2. Direct, onsite supervision (joint visits) by a qualified special instructor* at a minimum of 2 times per month or more frequently as needed as determined by the supervising service provider. Supervisory visits will include observation of the conditional special instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C) to be completed by the supervising service provider. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified special instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a qualified special instructor as per the definition above, contact the state office as needed.)

If the Participant successfully completes the SI Workshop, but has not met this AEIS requirement, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, s/he will be dropped from the training and will be required to repeat it in its entirety.

- I am a recognized Special Instructor with the AEIS State Office and meet the AEIS definition of a “qualified special instructor”; therefore, I qualify to serve as SI Mentor for the Participant named in this AP.
- I understand AEIS/Troy University/SI Workshop/Mentorship Office do not provide any type of stipend/honorarium/payment/reimbursement to anyone who serves as a SI Mentor.
- I understand that I must provide with this AP a copy of my Alabama Teacher’s Certification which confirms my certification in Early Childhood Special Education OR a copy of my Certificate of Completion in the AEIS SI Core Curriculum.
- I understand that I must confirm my current employment status with AEIS. If at any point during this SI Workshop/Mentorship I leave the employment of the EI Program identified in this AP, I must immediately notify the AEIS State Office and the SI

Workshop/Mentorship Office. At that point, if a replacement SI Mentor is not identified by the Participant s/he will be dropped from this SI training.

- I accept this role of SI Mentor and understand AEIS/Troy University/SI Workshop/Mentorship Office do not provide any type of stipend/honorarium/payment/reimbursement to anyone who serves as a SI Mentor.
- I understand that if I do not meet the qualification to serve as a SI Mentor, I will not be approved to serve in this capacity and the Participant named in this AP will be denied participation in this SI Workshop/Mentorship.
- I understand that the Participant named in this AP is not recognized by the AEIS State Office as a Special Instructor or approved for billing of SI services until s/he successfully completes the SI Workshop and the SI Mentorship, and I have submitted by the given deadlines the appropriate and required documentation to the SI Workshop/Mentorship Office.
- If I find performance problems with the Participant during the SI Mentorship, I accept the responsibility of immediately notifying my EI Program Director, AEIS State Office, and the SI Workshop/Mentorship Office.
- If at any point during this SI Workshop/Mentorship the Participant leaves the employment of the EI Program identified in this AP, I must immediately notify the AEIS State Office and the SI Workshop/Mentorship Office. At that point, the Participant will be dropped from this training.
- I understand that once I begin serving as the SI Mentor for the Participant named in this AP I must complete it within the designated 8-week period and this 8-week period may extend into an additional 8-week period if my Participant does not successfully complete the first attempt. If a second attempt is required, I accept the responsibility of developing a Remediated SI Mentorship and serving as SI Mentor in this Remediated SI Mentorship. If I find performance problems with the Participant during the SI Mentorship, I accept the responsibility associated with resolving this.
- I understand if the Participant leaves this Session of the SI Workshop/Mentorship for any reason at any point (including prior to the start of this Session), s/he will:
 - Forfeit his/her opportunity to complete this Session. All work completed will not be saved or forwarded to a future Session.
 - Have 1 attempt of the 2 attempts left to complete the SI Workshop/Mentorship. This means, if s/he does not successfully complete the next Session s/he enrolls in, s/he will not have another attempt left; and, s/he will not be recognized by the AEIS State Office as a Special Instructor. This means, s/he will forfeit his/her opportunity to become an AEIS Special Instructor.
 - Be required to wait until the final Session (Session 4) of this FY before submitting an Application for Participation (AP). If s/he enrolled in Session 4 and drops out, s/he will be required to wait until the following FY to submit an AP. This means, for example, if s/he drops out of Session 1 s/he may not submit an AP until Session 4. Additionally, acceptance into the Session will be determined by space availability. If the Session s/he applies to participate in is full, s/he will not be allowed into it.

- I accept all responsibility and liability associated with allowing this SI Mentorship in my EI Program.
- If performance problems are found with the Participant during the SI Mentorship, I accept the responsibility associated with resolving all aspects of the problem as well as any and all litigation.
- If this Participant’s employment/vending in my AEIS-Supported EI Program is terminated during any point in the SI Workshop/Mentorship, I will promptly inform the AEIS State Office and the SI Workshop/Mentorship Office. At that point, the Participant will be dropped from the SI Workshop/Mentorship.
- If this Supervisor’s or SI Mentor’s employment in my AEIS-Supported EI Program is terminated during any point in the SI Workshop/Mentorship, I will promptly inform the AEIS State Office and the SI Workshop/Mentorship Office and find the Participant a Supervisor and/or SI Mentor that meet(s) the requirements as outlined in this Application for Participation (AP). I understand that I must work with the new Supervisor and/or SI Mentor in completing their sections of this AP and submit these completed sections to the SI Workshop/Mentorship Office for review and approval. - Be required to wait until the final Session (Session 4) of this FY before submitting an Application for Participation (AP). If s/he enrolled in Session 4 and drops out, s/he will be required to wait until the following FY to submit an AP. If the Session s/he applies to participate in is full, s/he will not be allowed into it.

If I successfully complete the SI Workshop, but have not met these AEIS Supervision Requirements, I will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, I will be dropped from the training and will be required to repeat it in its entirety.

- I understand that prior to requesting participation in the SI Workshop/Mentorship, submit the following documents to the AEIS State Office AND received approval to provide SI services as a “Conditional Special Instructor”
 - Completed and signed *Early Intervention Experience Form* documenting acceptable experience in working with very young children with disabilities, age birth to five, and their families. - I understand that I must provide written documentation of my current employment status with AEIS.
- I understand that I will not be recognized by the AEIS State Office as a Special Instructor or approved for billing of SI services until I successfully complete the SI Workshop and the SI Mentorship, and the SI Mentor and I have submitted by the given deadlines the appropriate and required documentation to the SI Workshop/Mentorship Office.
- I confirm I am **currently employed** by the AEIS-Supported EI Program in which the SI Mentorship will take place or I am an **AEIS-Approved Current Vendor** working in the AEIS-Supported EI Program in which the SI Mentorship will take place. - I understand that the SI Workshop is designed to provide instruction that partially replicates the information presented in college/university programs of early childhood special education, but it is not the equivalent of a college degree nor a teaching certificate, does not lead to college-credit, and does not guarantee employment or vending in an AEIS-Supported program.
