

Alabama Parent Education Center

APEC provides parents with training, information, and support to help them become meaningful participants in their children's development and lives.

APEC provides free information and training to families to assist them in becoming advocates for their children with special needs.

The Alabama Parent Education Center was organized by Alabama parents, educators, and professionals serving families.

Our Special Families project provides prevention services to parents of children with special needs to assist them in parenting their children and connecting with other families and community resources.
