Child's Name: \_\_\_\_\_ Child's DOB: \_\_\_\_\_ For Initial Plan For Annual Plan

Outcomes are based on parent identified resources, priorities and concerns. Consideration must be given to pre-literacy and language skills as developmentally appropriate. Services are based on peer-reviewed research to the extent practicable. Service(s) are provided in natural environments to the maximum extent appropriate OR a justification explains why early intervention services cannot be achieved satisfactorily in a natural environment. Multiple outcomes can be addressed by a single provider at the same time. If a parent is not satisfied with progress at review, revise this outcome. (§303.344)

NON-EARLY INTERVENTION SERVICES

To the extent appropriate with regard to medical and other services, the service coordinator and family should identify services that the child and family needs or is receiving through other sources but are neither required nor funded by Part C. If those services are not currently provided, the following describes steps to be taken by the service coordinator or family to assist in securing those services. Examples include: local support groups, certain CRS clinics, medical clinics, socialization groups, private therapy of parent choice to supplement recommended EI services. Early Intervention (Part C) is not responsible for payment, monitoring, or provision of Non-EI Services. (303.344(e))
