COLLEGE PREP

Are you ready for a fresh start? Presented by ADRS Lakeshore, College Prep is a free workshop that is designed to provide Vocational Rehabilitation Service consumers with a step in the right direction to succeed in college.

College Prep is perfect for college students who may be struggling in school or adult learners who need a refresher.

Students at College Prep learn to:

- take good notes
- manage your time
- handle stress
- prepare for college tests
- study smarter, not harder
- tap into support services
